

## *Learn Italian in Style*

*Enjoy daily Italian lessons on the terrace Belvedere of the charming Palazzo Belmonte. Our one week Italian course is designed to improve your spoken Italian, allow you to communicate in day to day situations and to enjoy the beauty and the tranquility of the Palazzo Belmonte. In such an environment it is easy to relax, participate and learn. Here in the gorgeous Italian seaside our Italian teacher will lead small group classes each morning. The atmosphere is welcoming and friendly and every student is encouraged to develop and improve their spoken Italian at their own speed. There are local excursions every afternoon including visits to a local Oil Mill in Licosa . It would be our absolute pleasure to have you join us for this sublime week of culture, language and wonderful food & wine.*
